We (Dr. Casali certainly does) like Milan...

18-19 February 2014, Milan, Italy

18-19 February 2014, Milan, Italy

2016: Milan Sarcoma Conference may take a vacation in Venice...

ISLANDS
ISLANDS.COM Venice by Peter Zelel

18-19 February 2014, Milan, Italy

Sarcoma & GIST deserve a dedicated educational effort

- Sarcomas are rare
- Sarcomas are difficult to diagnose
- Sarcomas are difficult to treat
- Rarity affects feasibility of clinical trials
- Sarcomas are models for innovative therapies

Multidisciplinary and Networking are the Keys

- Biology
- Pathology
- Surgery
- Medical Oncology
- Radiation Therapy
- Innovative methodology

350 participants from 40 countries

A world map with yellow callout boxes indicating the number of participants from each region. The regions and their participant counts are: North America (49), Europe (250), Middle East (9), Asia (21), Central and South America (17), Africa (1), and Australia (3).
